FOR IMMEDIATE RELEASE:

SITE Centers Issues 2018 Corporate Responsibility and Sustainability Report

BEACHWOOD, Ohio, June 28, 2019 /Business Wire/ -- SITE Centers Corp. (NYSE: SITC) announced today the release of its 2018 Corporate Responsibility and Sustainability Report. This report was completed in alignment with the GRI Standards and outlines the company's strategies and achievements of its comprehensive environmental, social and governance platforms.

The full report can be found at <https://www.sitecenters.com/2018CSR>

"I am thrilled to provide this, our fifth sustainability report, and the first under the new SITE Centers brand. Our corporate name may have changed, but our commitment to running our business both responsibly and profitably remains as strong as ever," said David Lukes, President and Chief Executive Officer. "We believe that delivering growth for our investors depends on productively engaging a wide range of key constituents including our employees, tenants and communities. I encourage all our stakeholders to use this report to measure progress, our levels of engagement, and our impact on the environment and neighborhoods where we operate."

Report Highlights:

- 230 employees participated in our Women of Influence program
- Completed over 11,620 employee training hours, averaging 30.7 hours per employee
- 133 Employees participated in our "Make It Happen" Wellness campaign
- Employees served on the boards of 9 non-profit organizations
- Company received highest governance ranking of 1 by Institutional Shareholder Services
- Contributed to over 340 charitable organizations through our YOUnity program
- Engaged with our communities to donate over 10,000 toys to Ronald McDonald Charities and provided donations to American Cancer Society and the Special Olympics
- Forged first of its kind relationship with WAYMO, Google's autonomous vehicle platform, to provide ride service to the patrons of our property located in Phoenix, AZ
- Completed comprehensive LED retrofit program at substantially all of the company's wholly owned properties. This program included over 4,300 parking lot fixtures and is expected to save 4M kWh per year and \$900,000 a year in maintenance and operations savings
- Operating 222 electric car charging stations
- Generated 4,100 mWh of renewable energy
- Diverted 41% of the waste generated on the properties within our tenant waste program
