

**SITE Centers Corp.
Vendor Code of Conduct**

SITE Centers Corp. (“SITE”) expects that its vendors will share SITE’s commitment to honesty, integrity and ethical behavior, as set forth in SITE’s “Code of Business Conduct and Ethics.” “Vendor” includes any firm or individual that delivers a product or service directly to SITE. Even though vendors are independent contractors and not under the control of SITE, the business practices and actions of a vendor may significantly impact and/or reflect upon SITE, its reputation and brand.

Therefore, SITE requires that all of its vendors shall:

1. Comply with the SITE Code of Business Conduct and Ethics, a copy of which can be found on SITE’s website (www.sitecenters.com) under Investor Relations/Corporate Governance.
2. Comply with all laws and regulations in the jurisdictions (municipal, county, state and national) in which the vendor conducts business on behalf of SITE.
3. Not engage in any bribes, kickbacks or similar types of payments or things of value to any government official in connection with the vendor’s business on behalf of SITE.
4. Comply with all applicable environmental laws and regulations regarding hazardous materials, air emissions, waste and wastewater discharges, including the manufacture, transportation, storage, disposal and release to the environment of such materials in connection with the vendor’s business on behalf of SITE.
5. Not speak to the press or communicate via any media (including any social media) on SITE’s behalf unless the vendor is expressly authorized in writing to do so by SITE.
6. Not communicate directly with any of SITE’s tenants without SITE’s prior approval.
7. Maintain confidentiality as to all matters relating to SITE of which the vendor becomes aware in performing the vendor’s duties, and not disclose any such matters to anyone, unless expressly authorized in writing by SITE.
8. Avoid the appearance of or actual improprieties or conflicts of interests. Vendors or their representatives shall not deal directly with any SITE employee whose spouse, domestic partner or other family member or relative is employed by or holds a financial interest in the vendor. Dealing directly with a spouse, domestic partner or other family member or relative who is employed by SITE in the course of negotiating the vendor agreement or performing the vendor’s obligations is also prohibited.

Report any possible violation of SITE’s Code of Conduct or this Vendor Code of Conduct to Eric Cotton, Deputy General Counsel & Corporate Compliance Officer, at (216) 755-5660 or ecotton@sitecenters.com, or anonymously via an independently-operated confidential Compliance Line at 800-750-4972.
